

Women United

Women United (WU) celebrates the power of women to bring about positive change in our community through philanthropy and service. The mission of Women United is to increase philanthropy among women in support of United Way and their objectives in service to the community. Additionally, the WU works closely with the ReadingPals Literacy Initiative to create positive relationships for children centered around reading.

Emerging Leaders United

Emerging Leaders United (ELU) is a group of community-focused, up-and-coming professionals making positive and long-lasting change in North Central Florida. ELU connects members (ages 24-44) to United Way and the community through professional development, educational opportunities and volunteering/networking events.

Student United Way

A campus-based, student-led organization that works in partnership with United Way of North Central Florida to give, volunteer, and advocate in our community.
