

WHAT YOUR DOLLARS PROVIDE

For every \$1 invested, United Way creates nearly \$3 of total impact in our community.

- Your \$2 weekly donation could provide meals for 55 food-insecure men, women and children in North Central Florida.
- Your \$5 weekly donation could provide an at-risk middle school student with after-school tutoring, homework help, standardized test preparation and organizational skills for one year.
- Your \$10 weekly donation could provide 30 hours of trauma counseling to a child who has been abused and their family.
- Your Leadership donation of \$14.50 per week (or greater) could provide one month of rigorous job and life management training to a homeless person in Alachua County.
